

Troy Garden Party 2015

2014

Hurdles

Getting rid of weeds and vines.

Learning what grows and what doesn't

Improving the soil

2015

Hurdles:

Making a safer walking area

Accessibility for all

**Letting everyone know they
are welcome**

Salad Day

Celebrating 1 year of our monthly salad day.

At least once a month we are all sitting together enjoying the fruits (and veggies) of our labor.

Sharing Table

Once the idea of Salad Day and the Employee Garden grew, the sharing table was created.

Not only did items from the Employee Garden make it to our table but so did our home grown garden vegetables.

Thanks to our employees who donated their time and talent
